

# Recent earthquakes putting a strain on your finances? We'd like to help.

If you're a current Asteron Life customer and experiencing financial hardship as a result of the recent earthquakes in North Canterbury and Wellington, we'd like to help by paying your premiums.

If your application is accepted, we'll pay your current premiums for 3 months, up to \$2,000 per month. With your policy still in place, you'll still be able to claim if you need to.

Having your insurance taken care of will give you one less thing to worry about while you get back on your feet.

- Another reason. Please provide detail and supporting documentation.
