Important: Insurer Financial Strength Rating

The Insurance (Prudential Supervision) Act 2010 requires all licensed insurers to have a current financial strength rating that is given by an approved rating agency. **Asteron Life Limited** has been given an **AA-** Insurer Financial Strength Rating by Standard & Poor's.

The rating scale is:

AAA Extremely Strong	B Weak			
AA Very Strong	CCC Very Weak			
A Strong	CC Extremely Weak			
BBB Good	SD Selective Default			
BB Marginal	D Default			

Ratings from 'AA' to 'CCC' may be modified by the addition of a plus (+) or minus (-) sign to show relative standing within the major rating categories. The rating scale above is in summary form.

Your duty of disclosure Please read carefully

Make sure you tell us everything that might be relevant to this application.

This application for insurance cover forms part of the proposed insurance contract. The person to be insured and the policy owner(s) must answer all questions asked of them completely and correctly, and disclose to Asteron Life all material information, whether the information is asked for or not. Material information is information that might influence our decision to insure you and, if so, on what terms and/or premium. If you have any doubt as to whether a fact is material then it must be disclosed. This is important even if you have separately discussed something with your adviser. After we have been provided with this application, the person insured and the policy owner(s) must also tell Asteron Life of any change in circumstances that is material to this application. This duty continues until the contract of insurance is formed.

The duty of disclosure also applies if in future there is a request to extend or alter the policy, or application to reinstate the policy after it has larged

If the information provided to us is substantially incomplete or incorrect in any material way, then we may decline the application or it may affect the ability to claim in future. If this happens, we may decide not to accept a claim. We may also exercise any legal rights we have to avoid the policy from inception. This means that your policy would be deemed never to have existed and any claims already paid may have to be paid back.

So, please ensure both the policy owner(s) and the person to be insured take care when answering our questions. If you are unsure whether to mention something, always include it, or call our Customer Service Team on 0800 737 101 to check.
